All materials are provided for our 2 hour Creative Kids, Art Club workshops and 1hr Little Kids classes. We have 3 locations in Perth with holiday classes for children from 4 to 12 years of age. Art aprons are provided. Each class is taken by a fully qualified and experienced primary or high school art teacher with a maximum of twelve students. Parents are not required to stay with their child for the class.

Age Range

The age ranges for classes varies depending on the complexity of the subject matter and the degree of difficulty. Please only enrol your child if they are within the specified age range. Fine motor skills, manual dexterity and concept development have all been considered when determining the age range for each workshop. We want your child to have fun and to be able to succeed with their art endeavours! Where there is an overlap of ages between different programs please feel free to choose the classes that best suit your child's interests.
