

## July Holiday Program 2018

All bookings are from our website [www.creativekidsartclub.com.au](http://www.creativekidsartclub.com.au)

### Holiday Workshops - Art Club (9-14)

#### Fashion and Design Workshop

Create some fun sneakers to wear! In our two-hour workshop kids will learn about using colour, contrast and pattern to create a stunning design. Loads of creative fun! BYO lace up canvas shoes from Kmart (\$3.50). All other materials provided. Try designs with; watermelon, pineapple, strawberry, patterns, ladybird, arrows, stars, hearts, fish and more. Available Kingsley and Nedlands.

#### Botanica Drawing Workshop

Draw a fabulous botanical picture inspired by plant life and learn about using contrast and negative space in an artwork. As part of our exploration we will create two works, a positive image using black on white and a reverse image using white on black. This workshop is inspired by the works of Aboriginal artist Malaluba Gumana. Available Aveley, East Victoria Park, Kingsley and Nedlands.

### Holiday Workshops – Creative Kids (6-12)

#### Bugs and Beetles

Be amazed by nature in this study of bugs and beetles. Children will learn drawing and watercolour painting techniques to create a stunning array of brightly coloured bugs and beetles on thick A3 paper. Available: Aveley, East Victoria Park, Nedlands, Kingsley and South Fremantle.

### **Zentangled Birds**

Join the latest drawing craze and fire up your child's imagination! Kids will have fun creating patterns using black and white to make high contrast, patterned bird drawings. Available: East Victoria Park, Doubleview, Nedlands and Kingsley.

### **Holiday Classes - Little Kids (4 to 6 years)**

### **Garden Sculpture**

Listen to an imaginative story about fantastical trees in a garden and then have fun making gorgeous plants to grow in your very own 3D garden sculpture. Available: East Victoria Park, Nedlands and Kingsley.

### **Flower Painting**

An interactive painting class with lots of fun shapes to paint. Make dots and swirls and turn them into colourful flowers. Learn about patterns, colour and mark making. Available: East Victoria Park, Nedlands or Kingsley.
